by 9/6/2019 903-567-4149**

Join us and learn about fall and spring gardening from local gardening specialist!

Learn how to:

- **Identify suitable garden site**
- **Evaluate soils**
- **Make Compost**
- **Create “pots” from newspaper**
- **Identify good maintenance practices common to vegetable gardens**
- **Identify common vegetable garden problems**
- **Common insects...the good and bad**
- **Best practices for harvesting, handling, and storage**
